

## Screen Printing with Liam Biswell

### Need to know information before the course!

#### What will you be doing on the course?

Over the course of two days, you will learn all about the screen-printing process. You will get to try out and experiment with a range of techniques and styles and I will be on hand to guide and advise you every step of the way.

#### How to prepare?

On the Sunday I will go through the photographic screen-printing process with you step by step.

Transferring your pictures from a digital image to a screen ready for printing can be quite a lengthy process. For this reason, it would be great if you could send me a small collection of your chosen imagery (4 or 5 images) via [email](#). This will mean I can begin to prepare the screens, giving us more time for printing.

I will be exposing two of your images to screens, however by sending me 4 or 5 image options I will be able to choose the two most appropriate for this process. Also, when emailing your images please do let me know which are your preferred two images. **Please send me your images at least 1 week before the course date.**

On the studio's [acknowledgement page](#) is another explaining a little more about various screen-printing techniques, this should help you to decide which images to choose. It is also a good idea to have a quick google image search of screen print examples. You will also find examples on my [website](#) or [Instagram](#). If you get stuck or have a query then please do [email](#), I am happy to help.

#### I think that's it....

I am sure that everyone who comes on the course will have a lot of fun and meet some lovely, like-minded people. We pride ourselves in having a wonderfully creative environment!

Please do get in touch if you do have any further queries.

We look forward to meeting you soon.

All the best,

**Liam**

### General Course Information

#### Getting Here

Directions to the studio are on the website. The postcode to the studio is OX9 3QZ and a map is below.

If you are coming from the village hall in the centre of Towersey, go past the pub, under the bridge and you will see our sign shortly on the left.

#### Timings

Each day starts at 10.00. **Please arrive in good time in order not to miss the introduction.** We work through to 16.00 and generally with an hour's lunch break and with a tea/coffee break in the morning and afternoon.

#### What To Bring?

- Ideas, inspiration and enthusiasm!
- A laptop or tablet device may be useful though not essential
- Your own packed lunch. We have microwaves and a toaster in case you need them.
- An apron or clothes you don't mind getting mucky

#### Refreshments

- We provide you with all the tea, coffee & biscuits needed to fuel your creativity!

#### What we provide

- Use of all necessary equipment, tools and materials.
- Guidance and tuition throughout the day.
- WiFi should you need it, though we recommend you try to log off from the outside world as much as you can when you're here!
- Various reference materials though this doesn't mean you shouldn't do your homework!
